BIM DESIGNER

## EDUCATION

### Architecture degree

Universidad Politécnica de Madrid 2019 - 2024

Currently studying my fifth year of architecture degree at Escuela Técnica Superior de Arquitectura de Madrid, without failing any subject throughout the degree.

### State exam to gain entry university 2019

Qualification: 9.56

### Campo Baeza lessons 2023

Lessons of architectural design in the "Real Academia de San Fernando" at the Madrid fine arts circle with one of the most prestigious Spanish architects.

## AWARDS

- With honors in BIM layout at university 2023
- With honors in Electrical engineering at university 2023

## WORK EXPERIENCE

### 3D Layout workshop 2024

Rebuilding in 3D a building named "El Edificio Polivalente de Montecarlo" made by Fernando Higueras.

It consisted of the reconstruction of a large unbuilt construction site, in which spaces were analyzed, more documentation was added to the existing one and a 3D printing mock-up of the model was made.

## EXTERNAL COLLABORATIONS

### Logos and advertising (Madrid 2020)

Advertising and logo design for a shoe repair store.

### Volunteering (San Sebastián, Donosti 2022)

Volunteering to help people with drug addiction problems.

### Volunteering (Granada 2021)

Volunteering to help people with psychomotor problems and down syndrome.
